25X1

1.  the Flak Kaserne in Leipzig-Schoenau quartered enlisted men wearing red-bordered black epaulets, partially with motor transport insignia. Another two-story building was under construction at the rear of a new building in the southeastern corner of the barracks installation.   25X1

new emplacements were constructed by about 20 men west of the old emplacements in the cherry orchards. , about 50 men received rifle instruction in the training area at the rear of the cemetery.  about 80 to 100 men had gymnastics.  25X1

25X1

2.  the barracks installation in Leipzig-Heiterblick quartered about 600 men wearing red-bordered black epaulets.  six JS tanks practiced driving and record firing on the training ground.  25X1

about 50 men drilled in the barracks area.  noted a newly constructed two-story building in the small woods which bordered on the training ground to the south.  25X1

25X1

3.  the Flak Kaserne in Leipzig-Schoenau quartered about 400 men wearing red-bordered black epaulets with artillery, motor transport and tank insignia.  left the barracks installation toward Bismitz  25X1

25X1

20 men drilled in the barracks yard.  about 20 men and 10 motor vehicles and 1 tank,  was a T-34 tank, were in front of a motor-vehicle storage shed.  one rocket launcher was in the barracks area.  20 men prepared straw mattresses at the rear of the guard house.  25X1

25X1

4.  three tanks and one truck were unloaded at the railroad station of Rueckmarsdorf, a resident said.  saw eight empty cars at the railroad station.  loaded with wood, travelled from the railroad station to the barracks installation.  25X1

1. [ ] Comment. According to information from other posts the units of the First Gds Mezz Army and the Eighth Gds Army stationed at the Flak Kaserne should have returned from the Koenigsbrueck and Ohrdruf/Kindel training camps by late October. However, the present report indicates that the installation is still occupied below capacity. [ ]
